

KH/RLL/TM/PPFundingFoodTech

6th October 2026

Dear Parents and Carers,

Food Technology Pupil Premium Funding

Barr Beacon School
www.barrbeaconschool.co.uk

We are pleased to inform you that from **the end of October 2026**, Pupil Premium funding will be available to support pupils participating in Food Technology lessons.

As part of this support, the school will purchase and provide all ingredients required for practical Food Technology lessons for eligible pupils. This initiative is designed to ensure that all pupils are able to fully access the curriculum and participate confidently in practical work.

Ingredient lists will continue to be shared via Class Charts one week prior to each practical lesson. Should you or your child wish to customise or substitute any ingredients, these will need to be purchased independently and brought into school on the day of the lesson.

Please note that pupils will still be required to bring:

- A suitable food container to safely transport their finished product home

If you would like your child to participate in this provision, please complete the linked form by 4:00pm on Thursday 8th October 2026. This will allow sufficient time for ingredients to be ordered and prepared. Please access the reply form by clicking the link - <https://bit.ly/4yRRt61>

If you have any questions or require further information, please do not hesitate to contact the school.

Thank you for your continued support.

Yours sincerely,

Mrs Hibbs

Headteacher
