

KH/LB/TM/Yr10RSE

2nd October 2026

Dear Parents/ Carer,

Year 10 RSE Workshops – Walsall Street Teams

Barr Beacon School

www.barrbeaconschool.co.uk

As part of our ongoing commitment to supporting the personal, social and emotional development of our pupils, we will be working with Walsall Street Teams during this term and next term to deliver a series of workshops to our Year 10 students.

Walsall Street Teams is an organisation experienced in working with children and young people, providing education, support and early intervention around issues that can affect their safety, wellbeing and relationships. The sessions will be delivered by appropriately trained staff and will be presented in an age-appropriate and sensitive manner.

As part of this programme, Year 10 students will take part in a one-hour session focusing on pornography and its potential impact on young people. The workshop will explore what pornography is, the risks associated with accessing pornographic material, and how exposure can influence young people's understanding and expectations of sex, relationships, consent and body image. It will also consider how repeated exposure to pornography can affect the brain, behaviours and attitudes.

The purpose of the session is not to expose students to inappropriate material. Instead, it is to provide them with accurate, age-appropriate information that helps them critically understand content they may encounter online, recognise unrealistic or harmful messages, and make safer and healthier choices.

We recognise that this is a sensitive topic. Sessions will therefore be delivered within a safe and supportive environment, with clear expectations around respectful discussion. If you have any questions or concerns regarding the workshops or would like further information about the content being covered, please contact postbox@barrbeaconschool.co.uk

Yours sincerely,

Mrs K Hibbs
Headteacher
