**Staying Safe at Barr Beacon School**
**Safety in the Community**

Dear Parents/Carers,

At Barr Beacon School, the safety of our pupils is our highest priority. We are writing to remind all families of the importance of pupils making safe choices in the community, particularly when travelling to and from school.

We strongly encourage all pupils to **travel straight home after school**, rather than gathering in the local community. Spending unnecessary time in public spaces can expose young people to situations that may place their safety at risk. We ask parents and carers to reinforce this expectation at home and to ensure that pupils have clear arrangements for getting home safely.

All pupils should have trusted adults they can turn to both at school and at home, meaning it is essential that they **speak up and report any concerns** in line with our **Telling School** and **Listening School** ethos. This includes anything they witness or experience in the community, on public transport or whilst walking to and from school. Pupils should tell a trusted adult as soon as possible, whether this is a member of school staff, a parent or carer, or another responsible adult.

Our safeguarding and pastoral teams are available to listen, offer support and respond to concerns. Members of the Leadership team are also on duty in the local community, helping to reinforce expectations and support pupil safety. Any concerns brought to our attention will be taken seriously and followed up appropriately.

Keeping children safe is a shared responsibility. By working together, we can help pupils understand how to recognise potential risks, make sensible decisions and feel confident to speak up when something is wrong.

Thank you for your continued support in reinforcing these important messages at home. Together, we can ensure our pupils remain safe in the community. Should you have any questions or concerns, please contact the school via postbox@barrbeaconschool.co.uk.

Yours sincerely,

Mrs K Hibbs
Headteacher
