**Staying Safe at Barr Beacon School**
**Parental Webinar – Spotting the Signs of Child Exploitation**

Dear Parents/Carers,

At Barr Beacon School, our priority is to ensure that every child feels safe, listened to and receives the support they need to thrive. We are committed to creating an environment where every young person can grow into a confident, resilient and successful individual.

An important part of this commitment is working in partnership with parents and carers to ensure that we are all equipped with the knowledge and understanding to recognise potential risks and keep our children safe.

We would like to invite you to attend an online awareness webinar delivered by Ivison Trust, focusing on child exploitation and how parents and carers can help protect their children. Child exploitation can affect children and young people from all backgrounds. Understanding what exploitation looks like, recognising potential warning signs and knowing where to seek help are important steps in protecting children.

The webinar will explore:

- Understanding child exploitation and what this could mean for your child.
- Recognising the signs and indicators that your child may be at risk.
- What to do if you are worried about your child.
- How to report concerns and where to access specialist advice and support.

Date: Wednesday 13th January 2027
Time: 6:30pm – 8:30pm
Location: Online
