KH/LB/TM/CurriculumCadets

18th November 2026

Dear Parents/Carers,

Year 7 Curriculum and Cadet Experience Day – 30th November to 2nd December 2026

Barr Beacon School
www.barrbeaconschool.co.uk

From Monday 30th November to Wednesday 2nd December, approximately 130 of our Year 7 pupils will be attending the Whitemoor Lakes residential visit. During this period, pupils remaining in school will follow an adapted curriculum timetable.

On **Monday 30th November and Tuesday 1st December**, lessons will be carefully planned to **build upon, enhance and consolidate pupils' existing knowledge and understanding**, ensuring they continue to benefit from meaningful and engaging learning experiences. On **Wednesday 2nd December**, pupils will participate in a special **Cadet Experience Day**, organised by our Combined Cadet Force (CCF). This will provide pupils with an exciting introduction to Cadets and the opportunity to develop valuable personal skills through a range of practical and engaging activities.

Throughout the day, pupils will rotate around five activities:

- **Introduction to the CCF:** Discovering what Cadets do, the opportunities available and the importance of teamwork, discipline and responsibility.
- **Rocket Science – Principles of Flight:** Exploring how rockets fly through an engaging activity that develops scientific understanding and problem-solving skills.
- **First Aid:** Learning essential lifesaving skills, including an introduction to CPR and the recovery position.
- **Leadership and Teamwork:** Taking part in practical team challenges designed to develop communication, cooperation, confidence and leadership.
- **Codebreaking:** Completing challenges that develop logical thinking, problem-solving, perseverance and teamwork.

The aim of these three days is to ensure pupils continue to benefit from high-quality curriculum learning alongside opportunities for wider personal development. The programme will support pupils in developing confidence, resilience, independence, teamwork and leadership skills while introducing them to new opportunities available within school. Pupils will be informed of their groups and timetable in school, and staff will be available to support them throughout the three days.

Thank you for your continued support.

Yours sincerely,

Mrs K Hibbs
Headteacher
